*ORR*

TO : Assistant Director for Research and Reports      DATE: 11 July 1952

FROM : Deputy Assistant Director - Coordination

SUBJECT: Briefing of Congressman Battle

1. Mr. Bullock, attached to the House Foreign Affairs Committee, who accompanied Congressman Battle to the ORR briefing on intelligence support for the Director of Mutual Security, telephoned Ken Hansen, MSA (who in turn relayed the message to Pforzheimer), to express his and Congressman Battle's very great satisfaction with the ORR briefing.

Pforzheimer further indicated that a memorandum to this effect would probably come down to ORR from his office. He concluded by saying that the briefing had probably put money in the bank as far as CIA is concerned.
